February

One major item or event that happens during the Interim Pastor time with a church is the selection of a Pastor Search Committee. This selection is a major step toward the future of a church.

New Hope's Pastor Search Committee (PSC) has been selected, trained, and has started its process. The members of the PSC are Daryl Boyette, Susan Grass, Graham Price, and Connie Vasquez. Daryl has been selected as the chairman of the committee. The committee will undergo a four-stage process of organizing, researching, selecting, and presenting. This process is not a quick one. Please be prayerful and patient.

During the interim period the church needs to answer two basic and fundamental questions, (1) Who are we? Who is New Hope Friends Church? (2) Where do we believe God is taking us next? Answering these two questions is a process that will take prayerful time.

We are preparing ourselves for God's next pastor for us as we answer those two questions. And rest assured, God is right now preparing our next pastor for us. It's fun to see what God is doing, and to participate with Him in the process.

What can you do now? First, pray for your Pastor Search Committee. Lift them up by name. Pray for discernment, for the committee and for the church body. Second, continue to seek God, as an individual and as a church. We want what God wants for our church. The best is yet to come.

Keep looking up,
Pastor Randy
